

NCR Interactive Teller

- Bring **personalized branch banking experiences** to the assisted self-service channel.
- Deliver customer satisfaction with face-to-face interaction, anytime, anywhere.
- True replication of the branch transaction experience, in low cost, assisted self-service and self-service environment.
 - ✓ At any current branch/business site
 - ✓ At new sites (grow and expand customer/member acquisition)
 - ✓ At unviable sites where the economics make a full branch unrealistic, but brand presence is important.
- Reduced transaction handling time and errors (no manual cash handling)

Edge One is a leading provider of ATM solutions, including sales, first line and second line service, transaction processing, compliance assistance and managed portfolio services, as well as Teller Cash Recyclers and Interactive Teller Machines.

Give us a call to day to learn more about the changes taking place in branch banking, and the comprehensive solutions we've designed to meet the evolving needs of financial institutions.
