

Get Paid *NOW*: No More Waiting on Payments!

Use our contactless payment platform to take the hassle out of invoicing and payments.

Payments made through traditional invoicing can take up to 28 days to process. COCARD Pay Center expedites the pay process significantly, with 84% of payments through our platform received within one day.

Built to Integrate with Your Existing Systems

COCARD Pay Center easily syncs with QuickBooks! Our partner API enables integration with your business software.

Take Advantage of These Cost-Saving Programs

The platform allows you to apply convenience fees, surcharges, and/or cash discounts to help reduce your costs!

Make It Easier for Customers to Pay You

Choose COCARD Pay Center for a smarter, quicker, hassle-free way to take payments!

COCARD Pay Center Features

- Send requests via text or email for quicker customer response
- Create and schedule invoices faster than ever
